UNIZYRO

Premium Healthcare Solutions

Pioneers in nutraceutical and phyto-pharmaceutical products dedicated to the global distribution with **customizable neutral-label** solutions tailored for B2B partners worldwide.

NUTRACEUTICAL | HERBACEUTICAL | COSMECEUTICAL | PRE & PROBIOTICS

Premium Healthcare Solutions

Positioned as a **'one-stop' contract manufacturing partner**, we offer end-to-end solutions from formulation to packaging for a wide range of product formats, including capsules, tablets, powders, gummies, jelly and liquids. Our strength lies in our robust R&D team, comprised of highly qualified professionals with over three decades of experience in tackling complex product development and manufacturing challenges.

UNIZYRO

At UNIZYRO, we blend **scientific innovation** with the principles of natural healing, drawing from herbal extracts, dietary ingredients, and phyto-molecular medicine to create products that enhance the body's own healing capabilities.

UNIZYRO delivers stable, regulatory-compliant, and market-ready formulations that meet global standards, including **US FDA, GMP, and ISO** certifications.

Innovation & Customization

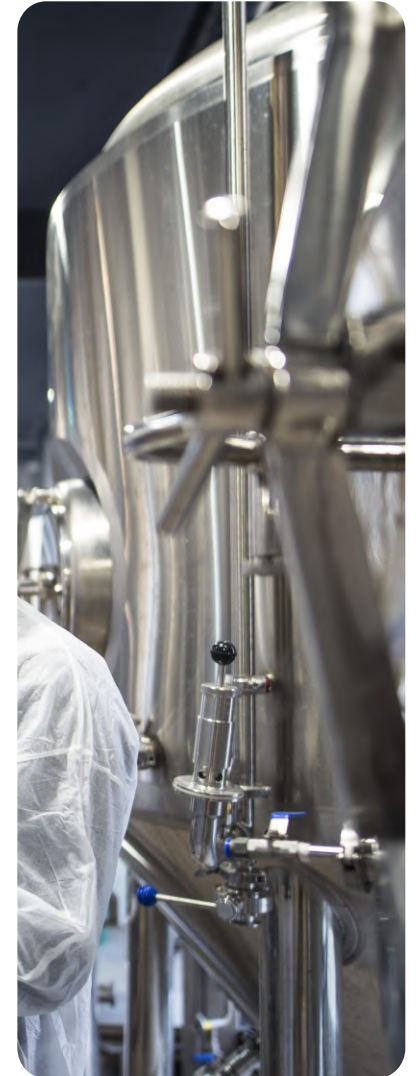

Innovation is at the core of everything we do, from research-driven formulations to breakthrough delivery systems. We offer fully customizable manufacturing solutions that cater to the unique needs of each brand. Our expert R&D team works closely with clients to develop **proprietary, IP-ready** formulations backed by science and regulatory compliance.

What sets us apart!

With **over 70 years** of combined expertise of our leadership team across healthcare technologies, we are committed to launching **high-quality health products FASTER, SAFER, AND SMARTER.**

Our **control over contract farming** of herbal, organic, and healthcare raw materials. This farm-to-formulation approach ensures **end-to-end traceability.**

1,500+ SKUs

Our Mission

Our mission is to **empower** health and wellness businesses across the globe with **innovative**, science-backed solutions. We provide premium formulations and **flexible contract manufacturing** tailored to meet diverse market needs. Our end-to-end support—from product development to regulatory compliance - helps partners accelerate their time to market. At Unizyro, we are committed to **driving quality, customization, and global success** for every brand we work with.
